

**Mentor/Chaperone
Volunteer Form**

Motivated and Outgoing Adult Women Needed for 2022!

Outdoor Journey is a unique, outdoor education opportunity that introduces 12-15 year old girls to many of the activities available here in Iowa in a supportive, learning environment. Adult mentors accompany and are responsible for a small group of young participants and supervise the dorms throughout the three-day program. Mentor/Chaperones play an important part in the program, sharing their outdoor experiences and being a role model for youth from all over the state of Iowa. Best of all everyone learns and has fun!

There are two programs to choose from this summer. The first session will be held July 12-14, at Hickory Hills County Park south of Waterloo. The second session will be held August 8-10, at Wildwood Hills Ranch near St. Charles, IA. If you have any questions, please contact Lori Eberhard at: ojcoordinator@gmail.com

Please recognize that some of the activities are physically challenging. Please advise if special accommodations are needed.

Full name: _____ Date of birth: _____

Address: _____

City: _____ State: _____ Zip Code+: _____

Email: _____ Driver's license #: _____

Home phone: (____) _____ Work or cell phone: (____) _____
